Pocket Essentials is a dynamic series of books that are concise, lively, and easy to read. Packed with facts as well as expert opinions, each book has all the key information you need to know about such popular topics as film, television, cult fiction, history, and more. This is the first book-length critical study of Robert Crumb, covering all of his cross-cultural endeavours in comics, music, and film. Every significant Crumb comic and story is examined, from the early Yum Yum Book to 2002s From Cradle to Grave. Also included is an exclusive interview with Robert Crumb himself.
