

## Denim And Lace

THEY LIVE IN TWO SEPARATE WORLDS, BUT SHARE THE SAME DESIRE Bess Samson was raised in privilege, but always had a thing for Cade Hollister, the rough-and-tumble cowboy next door, even ignoring her controlling, class-conscious mothers warning to stay away from him. But he turned her down hard. Humiliated, she grew up and moved on, but never truly gave up hope. Cade has secretly always adored Bess but is filled with disdain for the Samsons wealth. Once the families had been friends, until dark secrets and scandal caused a bitter rift, and now her family wont let him forget his blue-collar roots. But when an accident nearly costs Bess her life, the proud rancher must finally fight for the love hes never forgotten. Palmer knows how to make the sparks fly! Publishers Weekly
