

The Guide to Understanding the Insurance Industry 2007-2008: Dig Into the Financials That Drive Insurers

The Guide to Understanding the Insurance Industry 2007-2008 is an illustrated, easy-to-read handbook that takes an exhaustive look at today's insurance business environment. Using exclusive information from the many sources within the A.M. Best family of publications and products, the guide is handy reference for industry-current trends and terminology, and a comprehensive resource that focuses on the property/casualty, life, health and reinsurance industries. The guide also showcases information about captive domiciles, solvency and ratings, and how insurance is sold and regulated. Its a great gift for new employees, board members, clients and customers, and can be used for reports, speeches and presentations.
