

Dirty Tricks: Pretty Lies Ugly Truth: The Dirty Secrets of Business You Cannot Afford to Miss

To Defeat the Villains, You must First be Trickier than Them A business intelligence book written in 12 short stories and it is one of those very rare stories where the main characters are the villains. It uncovers the dirty tricks, tactics, strategies, scams, schemes, etc used by unethical business people to gain their wealth in the market. The book acts as a precaution for readers to know what to look out for in order to avoid being tricked by such people. Its very entertaining yet informative which helps the readers to find out what to look out for in order to avoid being caught in the scams. For business people, it's a great reference book to enhance their business improvement by extracting the tactics of how convicts market, sell, persuade, connect, etc with their lateral thinking. The authors will walk the readers through a series of business scenario through the eyes of villains/convicts who knew the fraud in the making. Pretty Lies Ugly Truth presents to you the dirty tactics of: - Money Laundering & Surfacing Bribery Bankruptcy Fraud Sexual Strategy Dirty Bank Jobs Marketing Scams Electronic Theft and MORE? WARNING: The book may contain subject matters that cross the line of business ethics and integrity. Again, it is strictly for entertainment and precaution purpose only. READ AT YOUR OWN RESPONSIBILITY.
