

Constructive Spells: Positive Spiritual Mentality Personal Development

This essay is significantly against to any other conceptual Personal Development books, dedicated only for all the geniuses and novices in personal leadership. Genius is very smart people who can make improvements to fundamental concepts that bad. On the contrary, novices come with fresh approach and willing to work honestly. This essay is prohibited and extremely dangerous to people who has only average or medium skills in Self Personal Development, because this will tell them only the truth, that might be different than many difficult less useful personal development theories, spiritual teachings and leadership strategy they have learned before.
