

Dragonlance Chronicles Volume 2: Dragons of Winter Night (Dragonlance Chronicles Tp (Idw))

Adapting the second Dragonlance novel by Margaret Weis and Tracy Hickman! Krynn was once a peaceful world, where the native races managed to coexist, if only through tolerating one another. That time is gone. The friendship that helped win the first real battle against the force of darkness is now split, torn apart by conflict, and a long, bitter winter will pass before they are reunited. But, the dragon armies of the evil goddess Takhisis are leaving a trail of devastation across the land and a small group of companions is the only thing that stands against her. Collects the Dragons of Winter Night four-issue series.
