

# Easier-Than-Ever Scrapbooking Treasury (Leisure Arts# 5624) (Creating Keepsakes)

Time is precious--that's why scrapbookers need ideas for beautiful layouts they can create in under an hour. Experts from Creating Keepsakes magazine share time-saving strategies to help scrapbookers create faster and better. This big book is packed with the layouts scrapbookers crave most: basic two-page layouts with multiphoto designs. Chapter 1, Pages from the Pantry (Just the Basics), provides incredible layouts that can be scraplified (used to inspire new scrapbook designs) using basic supplies and photos. Later chapters offer layouts that show scrapbookers how using just 1 to 3 additional tools or supplies can add flavor and personality to their pages. This banquet of inspiration is designed to whet the appetites of scrapbookers and stimulate their creative juices.
