

Escape Life Sucks Syndrome: Stop Life from Sucking You Dry, Stealing Your Passion and Making You Miserable

Suck Life Before Life Sucks You! Escape Life Sucks Syndrome helps people of all ages to deal with the negativity, anger, frustrations, fears, pain, depression and hopelessness they might be experiencing right now. Written by positivity expert Brian Norris, this concisely written book offers practical, real world strategies, insights and techniques that work. Learn the truth about motivation, how to stop making excuses, how to get through tough times and deal with rotten people. Get quick strategies for dealing with money issues. Learn from the life sucks experiences of others and how to turn anger and resentment into positive change. Escape Life Sucks Syndrome is blunt about the reality of life. The book even addresses how the world might end and what you can do now to prepare for it. And if your relationships suck, this book gives you tested advice on how to fix them or escape them for good. Take the Make up or Breakup Test and get the precise steps to move on with your life. Learn how to get what you want ? EVERY TIME. Develop specific action plans so that you (and the people around you) can escape Life Sucks Syndrome forever. By reading this book, you will be able to stop life from sucking you dry, stealing your passion and making you miserable.
