

Profile of an Entrepreneur: Ignite your Passion & Power of Why - Discover if a Home Business is Right for You

This is the book I wish I had read before I started a home business, but couldn't find. So I wrote it for you. You will get a candid inside look at the strengths, commitment and mindset needed to succeed. You'll understand the challenges and rewards awaiting you; and discover whether or not Network Marketing is right for you. If it is not, you will have clarity and powerful insights into how to cultivate and benefit from a positive, abundant mindset for Life. If a home business is right for you, there is nothing else like it anywhere! Whether you are just starting on the road to freedom or have been doing it awhile, there are many key insights that will help you focus, identify and ignite your passion. If you feel like there is something missing in your life but don't know quite what it is, this book may help you clarify your Why, as well as motivate and inspire you. As a new entrepreneur, this book will give you an opportunity to benefit from the author's mistakes, without having to make them yourself. Seasoned marketers and business owners will feel right at home and find fresh affirmation and encouragement. Includes inspirational quotes by Napoleon Hill, from his classic book, Think and Grow Rich.
