

# Federal Register January 6, 1999: Part 4, 40 Cfr Part 68, Accidental Release Prevention Requirements, Risk Management Programs Under Clean Air ACT Section 112(r)(7), Amendments, Final Rule (Paperback) - Common

The U.S. Environmental Protection Agency (EPA) was introduced on December 2, 1970 by President Richard Nixon. The agency is charged with protecting human health and the environment, by writing and enforcing regulations based on laws passed by Congress. The EPA's struggle to protect health and the environment is seen through each of its official publications. These publications outline new policies...
