

FERRETS: A Complete Guide

This helpful book should always be at your fingertips if you're contemplating a ferret, just bought a ferret, or are a long-time ferret owner. This guide is easy to understand and covers a broad range of topics to properly care for the pet ferret. You have recently seen a fuzzy animal that brought a smile to your face. Do you know what it takes to care for this unusual little animal? This amazing little character is capable of a tremendous amount of love. However, it is important that you learn the ferret has explicit needs and requires dedicated care. The ferret is a great pet for the right person. Are you the right person? Learn what it takes to be a ferret owner. Learn all the positive characteristics of a pet ferret, as well as the negative aspects. Make sure you have the information to properly care for the pet ferret and the ferret's strict dietary requirements. Are you considering breeding ferrets? This book will educate the complexities of ferret breeding. Why do ferrets often die so young? How can you avoid these untimely deaths? How do you find a lost ferret? How do you keep a ferret from getting lost in the first place? This book will answer these questions. Each chapter is crammed pack full of the necessary information you will need to succeed in caring for a ferret.

Chapter One: Introduction to Ferrets
Chapter Two: Housing the Ferret
