

Fire Up Your Team: 50 Ways for Leaders to Connect, Collaborate and Create with Their Teams

In today's ever-changing world, leaders must create anew every day—new solutions, new ideas for action, new strategies—and then comfortably lead their organizations into an unpredictable future. In her handbook for leaders, author Jacqueline Throop-Robinson provides tools and techniques that can help any CEO or manager ignite passion, productivity and performance by connecting, collaborating and creating with their team.

Throop-Robinson relies on her extensive experience as a successful entrepreneur, corporate manager, and consultant to help empower leaders and their teams to achieve their full potential. While combining theory with real-life stories and activities, Throop-Robinson offers time-tested advice that helps leaders change their mindset to build trust; collaborate and play with their team to accelerate performance; explore the importance and impact of inspiration; use feedback and feedforward to improve leadership practices and overall productivity; and lead fearlessly to help teams overcome obstacles and see progress. Fire Up Your Team shares fifty ways to lead fearlessly, strengthen skills, improve creativity, and motivate a team to effectively move forward and achieve goals, one step at a time.
