

Foundations of Microeconomics, Student Value Edition (6th Edition)

ALERT: Before you purchase, check with your instructor or review your course syllabus to ensure that you select the correct ISBN. Several versions of Pearson's MyLab & Mastering products exist for each title, including customized versions for individual schools, and registrations are not transferable. In addition, you may need a CourseID, provided by your instructor, to register for and use Pearson's MyLab & Mastering products. Packages Access codes for Pearson's MyLab & Mastering products may not be included when purchasing or renting from companies other than Pearson; check with the seller before completing your purchase. Used or rental books If you rent or purchase a used book with an access code, the access code may have been redeemed previously and you may have to purchase a new access code. Access codes Access codes that are purchased from sellers other than Pearson carry a higher risk of being either the wrong ISBN or a previously redeemed code. Check with the seller prior to purchase. -- Normal 0 false false false EN-US X-NONE X-NONE A practice-oriented learning system that breaks the traditional textbook mold. To help readers focus on the most important concepts and effectively practice application of those concepts Foundations of Microeconomics is structured around a Checklist/Checkpoint system. The result is a patient, confidence-building textbook that prepares readers to use economics in their everyday life, regardless of what their future career will be.
