

Fourth Grade Spelling Words Book: My Spelling Homework Journal

Your student benefits from this Spelling Homework Journal in several ways. First, after their teacher delivers their weekly spelling assignment (for the upcoming spelling test) students will have a designated place to practice writing (journal) their spelling words daily; parents can easily keep track of their child's progress, and they will have a permanent record of their assignments and what they've learned throughout the year. The 320 page Journal includes blank sheets on which the student can practice writing their spelling words daily. Each week of school is numbered and includes sheets enough for the student to write their spelling words 4 consecutive days a week. Additionally, the book includes a fun activity on each page that your child will look forward to completing. The activity is designed to build anticipation of the next day's practice session. This Journal is available for grades 1 through 7. Bob E. states, my daughter was barely passing her spelling tests and after she began journaling her spelling words for just one week, she began consistently making 100s. Go ahead and click the Add to Cart button and give your child the tools needed to develop both their spelling skills, as well as good study skills.
