

Gantz Volume 26

The shape-shifting, 100-point alien boss has finally been destroyed - along with much of Osaka - and Kei Kurono is back on the team, resurrected after his second death. But good times never last as the Gantz orb reveals a countdown clock showing that Earth has just over a week before catastrophe strikes, and the Tokyo team is whisked to Italy to face a new set of deadly foes on what may be their final mission!
