

Gardening Month by Month in Ontario

Ontario gardeners can keep track of their own backyard garden adventures while getting lots of handy tips with this combination of gardeners journal and almanac. Each month of the year is featured with a beautiful two-page photo spread and followed by a perpetual calendar, tips and information, and plenty of space for your own gardening notes. This easy-to-use, sturdy book with lay-flat binding contains great features on garden design, sprouting plants from seeds, container gardening, creating wildlife habitat, composting, house plants and pest control with many references and resources for the modern gardener, whether your garden is in Ottawa or Kenora.
