

Gilt Trip

Louisiana businessman Jerry Earl Leland served only a fraction of his five-year sentence for white-collar crime, thanks to some political connections and a few greased palms. But he wont have long to enjoy his freedom.... After Jerry Earls early release, his wife, Margo - a much-married Garden District doyenne - throws an extravagant Get Out of Jail Free Party, complete with a Zydeco band, champagne ice luge, and waiters in ties and tails. The guest list includes many prominent New Orleans socialites, as well as scrapbook shop owner Carmela Bertrand and her best friend, Ava Gruix. But sometime during the swirl of partying and drinking, Jerry Earl is brutally murdered - then stuffed inside a clothes dryer. Carmela has earned a reputation around town for solving murders, and when the grieving widow turns to her for help, she cant say no. But Jerry Earl took a lot of people to the cleaners with his underhanded business tactics, so Carmelas going to be hard-pressed to identify which of his enemies was steamed enough to kill him. As she sorts through Jerry Earls dirty laundry, she needs to collar the killer before another victim is set to tumble dry....
