

Give Us Credit

When Muhammad Yunus returned to his native Bangladesh 25 years ago with an American doctorate in economics, he set out to try and combat the entrenched poverty there. By 1995, his Grameen Bank had made loans totaling \$500 million to two million borrowers, mostly women. In spite of the fact that these borrowers were the poorest of the poor, Grameen has had a near-perfect repayment rate.

Give Us Credit - unicef This use of credit dates from the mid-1500s. The phrase is sometimes amplified to give credit where credit is due, meaning the acknowledgment should be to the person who deserves it. This expression was probably coined by Samuel Adams in a letter (October 29, 1777), which put it: Give credit to whom credit due. **none** Give me some credit Quick tips to help you start building credit.
