

GLAMBITIOUS: How to Live Vicariously Through Yourself

Has your career taken you away from your pursuing your passions? Are you a woman with a dream buried deep inside? Do you struggle with balancing motherhood and professional goals? Are you struggling to stay motivated? Do you have goals that you cant seem to complete? Do you feel unsatisfied, unexcited and uninspired by your daily efforts? Do you question whether you will ever succeed? Is entrepreneurship the professional path you desire? This motivational how-to guide will help you: - Develop successful patterns - Reveal your true desires and dreams - Embrace the beauty of glamour and thrill of pursuing ambitions - Take charge of your life - Redirect your professional journey

Glambitious: How To Live Vicariously Through Yourself also addresses: - Self-improvement practices - Boosting self-confidence - Motivational Mantras - Creating a rewarding business life

This motivational & self-improvement book also shows you how to: - Define your destiny - Revamp your outlook on life - Become your best self - Take control of your business life

This empowerment book was created for the female that desires to embrace and project her best self to the world; one who is **GLAMBITIOUS**. For the woman that loves the beauty of glamour & the thrill of ambition, this book is for you. Too often we settle for a humdrum, uninspiring existence --- when we are only a few decisions away from becoming the shining light that inspires others. Life is meant to be wonderful, engaging, stimulating and exciting --- so dont accept anything less than that. Through introspective dialogue, inspirational quotes and suggested action items, this guide will empower you to become the epitome of **GLAMBITIOUS**. Why continue living vicariously through the life of someone else, when you can live vicariously through yourself? This inspirational guide also includes: -

Definitive Steps To Develop Productive Patterns - Creative Ways To Gain Financial Support of Your Vision - Key Things Every Glambitious Woman Must Do - How to become a professional leader - Tips to refresh your living space - Ways to clear the clutter - How to turn passions to profits Learn the key essentials necessary to: - Become an influential woman - Empower other women as a business leader - Increase Happiness - Transition into a CEO, Founder or Creative Director - Upgrade mental habits - Engage in Power Practices - Live Outloud - Create your glitter plan
