

Glass in Jewelry

Glass in Jewelry enables glass and jewelry lovers alike to enjoy the obvious glamour of such jewelry and for the first time to understand and appreciate the hidden brilliance of these little treasures in glass. Illustrated with over 400 full color photographs of examples, the text explains the origins of filigree and alabaster glass, the lovely variety of bead types, artificial gems, glass cameos and incrustations, millefiori, mosaic and aventurine jewelry, and even applications in modern jewelry designs.
