

Glorafilia The Miniature Needlepoint Collection

In their latest collection, the renowned Glorafilia team of Jennifer Berman and Carole Lazarus have created more than 16 exquisitely small needlepoint designs. They have taken as their inspiration a range of antique and popular collectibles, from fresh blue-and-white china and treasured old teddy bears to heirloom samplers and antique lace. The needlepoint projects they have designed include a wealth of charming ideas, from cushions and picture to more unexpected pieces such as a bookmark, a picture frame, a spectacle case, and even a jewelry roll. One of the great joys of this collection is that all of these superb designs are easy and quick to make.
