

## How to Take Care of A Guinea Pig: Your Essential Guide

This is the essential book which should greatly assist every guinea pig owner. This guide is for new guinea pig owners, people thinking about getting guinea pigs, or just people who want to learn how to take even better care of their guinea pig. All crucial areas are covered to help teach you how to best understand and care for your cavy. We firstly look at buying a guinea pig, then move onto their needs, relationships with other guinea pigs, handling, guinea pig noises, health problems and much more. Take a look inside to read the index! The guide itself is full of rich content along with pictures and external resources which can better help further your guinea pig knowledge. Its all written by me, Mark, an experienced guinea pig owner who has years of experience of caring for guinea pigs.
