

Hamster: Your Happy Healthy Pet

The authoritative information and advice you need, illustrated throughout with full-color photographs--now revised and redesigned to be even more reader-friendly! Alert and active (especially in the evening), hamsters are fascinating and fun. Your hamster will probably fit in the palm of your hand and with gentle, regular handling will quickly begin to love playtime. Hamsters are easy to tame and care for. This guide helps you do it right with advice on: * Types of hamsters and characteristics to look for * Selecting and furnishing a home for your hamster * Proper care and handling * Keeping your pet stimulated and healthy * Having fun with your curious little critter
