

Crochet Your Way

There are an estimated 30 million crocheters in the U.S. alone, from novices to artists. Crochet Your Way has something for everyone. A comprehensive guide, it starts with the basics through a quick review of 20 different pattern stitches. Each stitch includes clear technique tips with accompanying illustrations. When the 20 squares are completed, they can be joined together to create an original afghan. By emphasizing the concepts behind the craft as well as the practical aspects, Crochet Your Way also helps the enthusiast learn to crochet any pattern available. For those who already know how to crochet, the book will give them the tools they need to move to the next skill level. Included are more than 35 creative projects, including hats, sweaters, and home accessories, all illustrated with 275 photos and step-by-step drawings.
