

Heirloom Knitting for Dolls: Classic Patterns in Knitted Cotton

Doll collectors often have difficulty in choosing appropriate garments for their dolls and many doll artists have neither the time nor expertise to sew elaborate creations. This book contains 92 patterns for your doll - with designs from the 19th century ranging from elegant edgings, beadings and braids, which help with the finishing touch to your work to a selection of knitted dresses, as well as a knitted doll, covers for doll stands, a miniature tablecloth and a baby's ensemble.
