

Spinning Tails: Helicopter Stories

From the jungles of Vietnam to the heavens of Hawaii, across the world from New Zealand to America, and around-the-world flights, you'll fly with pilots, crew members, soldiers, nurses, and adventure seekers. Join Huey 091 in her journey from Vietnam to a backyard wedding decades later. Fly in the battles of wartime helicopter crews. Find out why some people dream of helicopter flight, while others have nightmares of the memories. Laugh at flight follies, admire heroes of the flight line, crash midair into another helicopter, and use in-flight emergency procedures when you hear, You're on Fire! More than thirty writers contributed stories, poems, and insights that represent myriad adventures, heartaches, ecstasies, horrors, and wonders that helicopters have to offer. Helicopter history, winged wisdom, and flight facts are scattered throughout the book. Strap in, hang on, and get ready for the flight of your life. Tower, Spinning Tails ready for takeoff.
