

## Higurashi When They Cry: Atonement Arc, Vol. 4 - manga

Driven out of her mind by the murderous plot exposed in Takanos scrapbook, Rena is on the run from the police and her friends. When Officer Ooishi confronts Mion about the Sonozaki familys involvement in the murder conspiracy, Mion reveals a number of other scrapbooks, detailing even more outlandish theories to explain the string of murders in the village. But will this new development be enough to calm down Rena? Or, in her panic, will her next move put all of her classmates in danger?!
