

## Higurashi When They Cry: Beyond Midnight Arc, Vol. 2 - manga

With Mions name clearly printed among the names of those killed in Hinamizawa twenty years ago, suspicion for the murder falls on her. But Mion isnt the only one whose story doesnt quite add up. How did the killer know Otobes was the only phone with a signal? How could Otobes friends have simply disappeared? Is it really the work of demons, or is there a murderer among them?
