

Mary Wondrausch on Slipware (Ceramics)

This new edition of Mary Wondrausch's classic book will be warmly welcomed by all her admirers as well as all those interested in slipware. In this book she traces the history of slipware and brings it up to the present, showing how modern artists are exploring this beautiful medium. Now in a new format and printed 4-colour throughout, this book is a glorious showcase for one of the more vibrant methods of ceramic decoration. Collectors will find this a useful reference book, ceramicists a handy text and all will delight in this sumptuous colour overview of a fascinating subject.
