

# Soap Making: A Beginners Guide for Making Handmade Soaps from Scratch (Soap Making, soap making books, soap making natural)

This book was written and designed for those that have heard about soap making or seen it on television and want to give it a try. You may have even seen a kit or two at the local hobby store and didnt want to pay the high cost. Now you dont have to, we have put it all together for you right here. Many people have different ways that they think is best when it comes to making handmade soaps and we are going to discuss a few of them. This book is designed to teach beginner level soap making so dont worry that we will be getting too technical. We want our readers to feel comfortable enough to get started as soon as they finish the book; not feel like they need another book to explain this book. In order to fully enjoy a craft one must understand it to the fullest otherwise feelings of frustration and failure set in and crafts get forgotten about. This book will help you to get started and is guaranteed to light a fire that makes you want to learn more and make more soaps. We will be touching on the following topics along with great instructions for different soaps:History of soap makingBasic supplies for soap makingDifferent methods of soap makingHealth benefits of handmade soapHandmade soap recipes Getting Your FREE Bonus Download this book, read it to the end and see BONUS: Your FREE Gift chapter after the conclusion.
