

Improve and Increase Your Credit Score: Credit Management Strategies that Will Save You Thousands

Bestselling author Jason R. Rich joins forces with top credit experts and delivers an insiders guide to credit. Revealing jaw-dropping secrets, strategies and tools, Rich and his team of industry insiders show consumers how to get out from under any credit crunch, and get back in control of their financial future. Reveals how to increase a credit score, remove incorrect and negative information from credit reports, rebuild destroyed credit, and ultimately, save hundreds, possibly thousands, of dollars every month! Boost credit scores and overall rating. Work with collection agencies, creditors, and lenders to pay off debts and overcome past mistakes. Get the best rates on credit cards, auto loans, and mortgages and start saving. Avoid the most common financial and credit-related mistakes made by millions. Learn how to identify and avoid credit repair and credit score boosting scams. Use online solutions to better manage your finances and credit cards. And more. Includes worksheets, exclusive interviews with credit experts and supplemental resources.
