

Job Hunting (How to Interview like a Consultant to Increase Your Job Offers! Book 1)

Interviewing like a consultant, rather than a typical job candidate allows you to communicate your skills and experience without appearing arrogant or having the hiring manager fearing for his job if he hires you. Instead you appear as seasoned and can be used as the benchmark against the other job candidates. This book is written by a former headhunter and employment manager who perfected a job interview system that helps you to interview like a consultant and stand out from the competition. Responding to competency based interview questions is important to understand when job hunting. You also need to know the good questions to ask in an interview. Common interview questions and answers are good to know, however in this economy you need to stand out from the job hunting crowd and communicate that you are a problem solver. With the How to Interview like a Consultant to Increase Your Job Offers guide, you will discover the easy-to-follow savvy techniques not many other job hunting candidates are using to ace their job interview and get more job offers. In addition to the most common interview questions, How to Interview like a Consultant to Increase Your Job Offers guide also contains real world questions and answers designed to demonstrate your experience in a way that allows you to guide the interview - instead of feeling like you are on the hot seat being interrogated. This is not a book on theory, but rather is based upon practical application. It includes sample cover and follow-up letters and how to use them effectively; a resume check list and how to use letters of recommendation and references. If the hiring manager wants an initial phone screen, this job hunting guide helps you prepare to ensure an in-person interview follows. The How to Interview like a Consultant to Increase Your Job Offers guide is easy-to-use and takes you through

the interview process rather than just supplying you with a list of questions and answers. It helps you to properly plan and interview with confidence. The 56 page content rich guide takes you through the entire interview process from cover letter to job negotiations and acceptance. Scroll up and click on the buy button to get started now!
