

# Binge Eating Disorder: Cure Overeating, Lose Weight and Get the Body You Deserve

It's common for some people to engage in overeating occasionally. For instance, its Christmas and you have a feast laid out before you; even though you're already completely full, you might find it hard to resist taking an extra helping. Do not confuse overeating with binge eating disorder. Binge eaters overeat on a regular basis. If you are one, you may find it hard to control your food consumption. You usually use food to handle emotions and stress, although you end up feeling worse afterwards. Binge eaters feel trapped in a vicious cycle. Nevertheless, there is hope. There are treatments and cures for binge eating that could enable you to control your eating habits and have a healthy approach to food.
