

Hymns of the Heart: Discovering God in the Psalms

God is high and holy, but he is also near to his people. It can seem difficult at times for us to grasp how our King can also be our Friend. Perhaps no book of the Bible better demonstrates the desire to understand God than Psalms. Running the entire gamut of emotions, the writers of these great poems sought to draw near to God and both honor and know him. In doing so, they aid us in expressing our hearts and minds to God. Hymns of the Heart walks the reader through 35 of these psalms, looking to the meaning of the original text while pointing to Gods majesty and glory. As you reflect on the Psalms, may your heart be drawn to the Lord and may you stand amazed at his love for his people.
