

## Liar Game 04 (German Edition)

Liar Game lautet der Name eines spannenden Taktik- und Verwirrspiels, in dem es gilt, seine Gegner zu belügen und zu hintergehen. Die hoffnungslos naive Nao landet urplötzlich mitten in diesem Sumpf aus Lugnern und Betrügern und die Regeln sind eigentlich einfach. Man bekommt riesige Summen an Geld und muss versuchen es 30 Tage zu behalten und sich von Gegnern auf jede erdenkliche Art von Taktik, Strategie und krimineller Energie noch welches dazu zu beschaffen. Wer sein Geld verliert, hat riesige Schulden in Millionen- und Milliardenhöhe. In jedem folgenden Band werden den Spielern neue Spielvarianten vorgesetzt, neue Teilnehmer und neue Risiken werden definiert und das Lügen und Betrügen nimmt von Mal zu Mal neue, atemberaubende und erbarmungslosere Dimensionen an. --- Dieses spezielle E-Book-Format kann auf allen aktuelleren Tablets und Readern gelesen werden, ist jedoch für größere Displays/Geräte mit Zoomfunktion optimiert. ---
