

Quick Patchwork Projects

Create your own quilts in just a matter of hours! These patchwork projects are fast, easy, and attractive, and include both traditional and modern designs. Experienced quilter Abigail Barbier offers advice on estimating fabric lengths, threads, and stitching, and on techniques such as cutting and piecing. The bright and bold patterns include overnight, evening, and beach bags; a rucksack; a waistcoat and sleeveless jacket; a child's skirt; a tiny purse; and a scrunchy hairband; plus a place mat, Provencal tablecloth, and crazy patchwork cushion. These fabulous designs will become your treasured heirlooms of the future.
