

In a Metal Web II (Spider Garden)

His latest and greatest yet! Manning has pulled out all the stops to produce a book of incredible beauty and searing erotic power. Sasayas surreal waking life grows more outrageous as dark visions of sexual enslavement by the Serpentine Sisters continue to intrude on her mind. During an afternoon spent walking their human pets, Shaalis reveals to Sasaya the story of Hir obsessive love affair with Squamata Serpentine and the strange origin of Squamatas twin Lichurna - and all this as a prelude to a bizarre cybernetic experiment powered by the sexual energy of Shaalis concubines and the revelation of a traitor in the Gardens midst!
