

Marquetry (Woodworking Class)

Woodworking Class books will inspire you to build or restore your own wooden furniture and get beautiful results. Even if you're a beginner, the clearly illustrated, carefully detailed and easy-to-follow instructions will transform you into a capable craftsman and home improvement expert. Instructions cover virtually every aspect of working with wood, from construction techniques to finishing, staining, painting and decorating items to professional standards. Marquetry shows you how to combine different woods and veneers to create elegant designs that enhance the beauty of wooden furniture. You'll find step-by-step instructions for six projects that include decorating furniture and creating a landscape mural.
