

Inspired & Unstoppable: Wildly Succeeding in Your Lifes Work!

What if everything you thought you needed to do to succeed was actually standing in the way of your success? Tama Kieves, Harvard-lawyer-turned-career-coach, has spent the last decade crossing the United States and Canada, speaking to tens of thousands of people and sharing her inspiring story of moving from a career that was killing her to a life that has uplifted her. She has mentored thousands of people who, with her help, have followed their passion, and now live their dream lives. And now she takes us to the next step in our journey.... Within you is your purpose - your destiny - that will lead you to your greatest fulfillment, and your greatest success. What Kieves discovered in her own journey is that the way to success is an inspired path, not a linear one. She brings her mentoring ideas and actions together in her latest work, *Inspired and Unstoppable*. In this motivating audiobook, Kieves teaches that it is only in unleashing this purpose that you can become truly happy and satisfied. Through these teachings, she will help you move into your brilliant power. She shares the mental and emotional impact of this journey - the fears, doubts, and boogeymen that arise - and how to become an unstoppable warrior for your lifes work and desires. This audiobook will help you stay connected to your desires and shift your innermost thinking. When you do, inspired actions will seem to fall directly out of the sky, and onto your plate. You will naturally outpace anything any expert could ever tell you. You dont need the steps, when you have the moves. Beautifully written, *Inspired & Unstoppable* also includes success stories from Tamas life and the lives of others who have made their dreams their reality, as well as practices that will create positive momentum, and *Inspired Successisms* - delightful, quick bites of wisdom peppered throughout the audio. It also includes guidelines on how to create your own

Inspired Success Circle - a way of moving forward with the support of friends and loved ones. Practical, empowering, inspirational, galvanizing - Inspired & Unstoppable is the touchstone to (finally) living your wildest dreams and greatest desires.
