

# Weldons 2D #43 c.1888 - Practical Tatting, How to Make Useful Edgings, Mats & Doilies

15 Pages. Whether you are an experience tatter or just starting out, you will find this edition of Weldons Practical Needlework to be a valued asset to your library. With dozens of detailed illustrations and beautiful finished projects, there is a wealth of information here! The book begins with the fundamentals of tatting - how to hold the shuttle, and the positioning of the hands when making the loops. The finished projects are gorgeous, and they include edgings, borders, a pincushion cover and many, many doilies. An excellent edition - and a great asset to any needleworkers library! REPRODUCTION
