

## Cut Flowers: A Practical Guide to Their Selection and Care

This is Edition One of this popular cut flower book which is now out of print HOWEVER- you can now buy EDITION TWO which was published in November 2014. Enter the book number 9780956871329 into search and you will find it! Revised and expanded it is still packed with straightforward information on how to care for and condition over 150 fresh cut flowers both at the florists shop and in the home. Florists, floristry students, flowers arrangers, brides - indeed anyone who enjoys having flowers in the home will find this book invaluable. Filled with easy to follow care instructions, flower availability, colour range and vase life there are also tips on simple arranging plus their suitability for wedding work. Every flower has been photographed in full colour, making identification easy. Arranged in alphabetical order of botanical names, there is also an index of common names to help you find your favourite flower - plus a mini floral miscellany of wedding anniversaries, national flowers and rose meanings. Printed in paperback in a convenient A5 size and spiral bound for easy use, this book has been specifically designed to fit into a college bag or workbox. This is an indispensable flower guide youll not want to be without.
