Theres undead and then theres living dead Private Investigator Felix Gomez thought he had seen it all since becoming a vampire:.... Horny aliens. maniacal nymphos But now hes facing everyones worst nightmare As far as being undead goes. vampires are indisputably the more civilized -.. intelligent. rational (on occasion). good conversationalists
Zombies. on the other hand. are just violent. walking. rotting. flesh-eating meat with no redeeming qualities. And now theres a ravenous army of them heading this way. So its vamps versus zombies. round one. And Felixs only hope of stopping the stinking. hungry horde is a pre-cocious and much-too-hot-for-her-bitches teenager with clairvoyant powers. But shes not going to help unless Felix agrees to make her immortal.
