

Japanese Gardens Revealed and Explained

Japanese Gardens - Revealed and Explained is comprehensive and thorough in its coverage of the subject of Japanese gardens and provides the reader with a window into the history, meaning and eye catching beauty of these unique creations. All aspects of Japanese gardens and gardening are covered from design to ingredients with coverage of subjects such as pruning techniques as well as numerous suggestions of what to plant in a Japanese garden courtesy of Master gardener L.H. Bailey. Discover Zen gardens (sometimes known as Japanese Rock gardens) and the deliberate ease of their appearance on the eye, as well as meaning and design. This book is suitable for beginners right the way through to the more experienced enthusiasts of Japanese gardens. Lovingly put together by the author and editor Russ Chard - a Japanese garden enthusiast and writer for over 10 years. This book is 70 pages of pure Japanese garden information. The subject is complicated but Japanese gardens - Revealed and Explained is in plain English, simplified for ease of learning. Anyone with ambitions to create and build a Japanese garden or Zen garden will find this book a very useful companion to realizing their dreams and plans .
