

# The Executive Voice Trainer

In today's fiercely competitive business world, the way you speak can be as important as the way you dress. Get an extra edge to advance your career with this step-by-step program, which builds on the natural qualities of your voice. Learn to add variety to your delivery, lose an accent, or overcome such common speaking problems as nasality or hoarseness. With his unique vocal workout approach, professional voice trainer Jeffrey Jacobi will help you to speak with strength and power - even over long periods of time.
