

Jewish Stories from Heaven and Earth: Inspiring Tales to Nourish the Heart and Soul

The Glory and Grief, Humor and Pride of the Human Experience? Inspiration from a Jewish Perspective From exile to rebirth, from degradation to renaissance, the Jewish People has undergone every human experience and emotion that God created. In this inspiring collection of stories, award-winning anthologist Dov Peretz Elkins captures the best and worst of Jewish experience in these spine-tingling tales of courage, devotion, passion and extraordinary achievement. Elkins taps the famous and the not-so-famous, world-renowned figures and the little-known person next door, for stories that illustrate the wonder, meaning, and purpose of life as viewed through the lens of Judaism's core values. Though drawn from the Jewish tradition, these universal stories of kindness, hope, faith and discovery will intrigue the minds and warm the hearts of people from all walks of life.
