

Job Finding Formula: Time-Tested, Battle-Proven Formula To Get A Great Job In The Shortest Possible Time

Thousands of people have used the proven techniques, secrets, and lessons you are about to learn in this book to find a job. Not just any job, but the Best Job and one customized for them. Some of the most important revelations that will be made clear to you are: * There is a hidden job market (where the best jobs are found) but its not what most people think it is. * The secret to exposing this hidden job market. * Tested and proven steps to get decision makers to read and think about your talents, abilities, skills and knowledge. * How to get the job without going through a formal interview. * If you do have an interview, how to take control of the situation. * The use of non-verbal techniques to achieve your goals. * How to maximize your salary and benefits package.
