

The Art of Silver Jewellery: From the Minorities of China, the Golden Triangle, Mongolia and Tibet (Hardback) - Common

This book and exhibition presents over 250 silver necklaces, and earrings - objects of ceremonial beauty and originality created by tribal peoples of China. Four catalog essays by leading experts illuminate the context creation in the late 19th and early 20th centuries and also provide valuable background information for designers, historians, collectors and dealers. In addition to images of the j...
