

Kieli, Vol. 2 (novel): White Wake on the Sand (Kieli (novel))

Kieli, the girl who sees ghosts, and her Undying companion, Harvey, return in their second adventure - this time on the high seas of the Sand Ocean! Things are far from ship-shape, though, aboard the vessel carrying these two unusual travelers. Dark spirits are rising, but which is the greater threat - the souls of the dead or the intentions of the living? Kieli and Harvey will have to rely on each other now more than ever, but when their pasts come back to haunt them, will it prove to be more than either can bear?
