

ID volume 3

Sex is hot. Sex is amazing. Sex is ridiculous. Join ID and her partner Ego as they explore themselves and each other in (mostly) the bedroom, and try to be erotic despite their own efforts. As they eventually find out, if you don't get a laugh or two in the bedroom, you might be doing it wrong. Follow along in this volume as ID swaps genders and discovers the joys of penis ownership, and Ego holds suspect the entire contents of their refrigerator.
