

A Buzz in the Building: How to build and lead a brilliant organisation

A Buzz in the Building will change the way you think about your business. The wisdom and stories gleaned from Kate Mercers lifetime of working with business leaders make this book an engaging and inspirational read. Kate takes you through the mindsets and skills that are required to create an organisation that functions as smoothly and organically as a beehive. When youve read A Buzz in the Building readers will know how to: Create great teams of people who know where your organisation is going and are enthusiastic about playing their part in getting there Communicate so that people do what you want them to do willingly and without having to be chased all the time Build a brilliant organisation that is as successful as the business it supports, that clients want to work with, and new employees want to join and stay part of
